On 27 March 2025, the Commission services sent observations on the 2024 Annual Performance Report of Czechia. Following those observations, Czechia provided a reply to the observation letter on 25 April 2025 and resubmitted its 2024 Annual Performance Report on 5 May 2025. I would like to inform you that the Commission services have assessed the Annual Performance Report in accordance with Article 134(13) of Regulation (EU) 2021/2115 and have no further observations on this report. Therefore, the 2024 Annual Performance Report of Czechia is **accepted**.

The Commission services have assessed the justifications of shortfalls from milestones in the remit of the Biennial Performance Review in accordance with Article 135(2) of Regulation (EU) 2021/2115 and have concluded that the shortfalls are justified. The Commission services also assessed the additional information provided by the Member State, and discussed during the Annual Review Meeting, 16 June 2025 and have concluded that the shortfalls are justified.

Therefore, the Biennial Performance Review for financial year 2024 is **closed**.

The acceptance of the Annual Performance Report for 2024 pursuant to Article 134(13) of Regulation (EU) 2021/2115 is without prejudice to:

- the annual performance clearance procedure provided for in Article 54 of Regulation (EU) 2021/2116;
