1. ES: The starting point for consultation is the same in both processes, but taking into account that FRMP lasts at least 3 months and RBMP 6 months. For intercommunity RBDs the starting point began 31.12.2014. In the case of the intracommunity RBDs the starting point will be in several dates during winter and spring 2015.

2. The Floods Directive has not been incorporated into the EEA agreement, so there is no information from Norway for Table 2
